NEW THIS YEAR!!!!

Michigan Genealogical and Historical Brochures

Brochures from the majority of the Michigan Genealogical Society members will be displayed around the Rotunda area. Non-members are also encouraged to display their genealogical and/or historical brochures. Bring your society's brochures with you that day or preferably to the September MGC meeting.

Council Member Publications

The Lake Superior Room across from the Forum will be available for societies who wish to display their publications. Michigan law specifically prohibits money transactions within a governmental building. However arrangements can be made with a group to purchase items on-line or by mail having the item delivered at a mutual time or by mail. Of course, items available for a donation, can be exchanged at any time.
Displays available until 3:30PM.

(The Best thing about this new idea? You can HANDLE the prospective publication without traveling to another county.....and you wanted to attend the seminar anyway!)
