French-Canadian Heritage

Society of Michigan

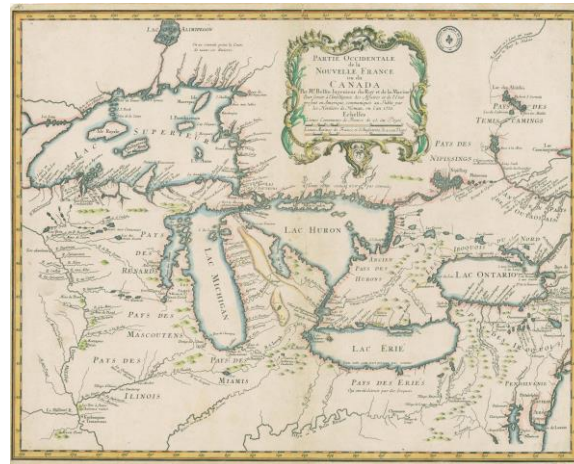

The French-Canadian Heritage Society of Michigan was founded in 1980.

Our aims and purposes are:

To promote an awareness of and appreciation for our French-Canadian heritage.

To facilitate contact and interaction among people of French-Canadian descent, for the purpose of researching family histories.

To act as an educational and social group by sponsoring and participating in functions which further interest in and awareness of French-Canadian heritage and New France's history.

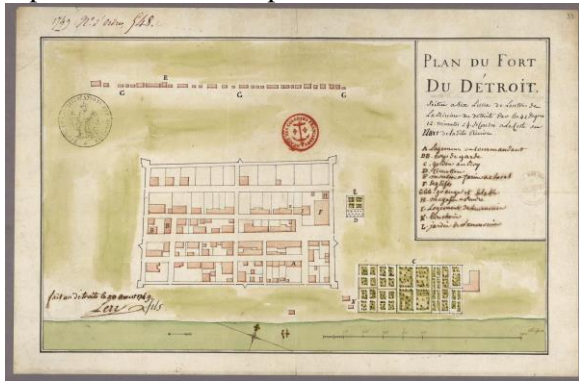

Jacques Nicolas Bellin – 1755 – *Partie occidentale de la Nouvelle France ou du Canada : pour servir à l'intelligence des affaires et l'état present en Amerique*

Michigan's Habitant Heritage (MHH), the journal of FCHSM, has been published since the founding of the Society in 1980. The officers and members of the French-Canadian Heritage Society of Michigan are justifiably proud of the high quality quarterly journal we publish under the auspices of our editor or editors.

Articles appearing in *MHH* cover all areas of New France, including articles about French Canadians who lived in, explored, or travelled to all areas of Michigan, the Detroit River Region (which means both sides of the Detroit River), Michilimackinac, Fort St. Joseph, Southwest Ontario, the Great Lakes, the Mississippi Valley (Kaskaskia, Vincennes, New Orleans, Mobile), La Salle's colony in Texas, Hudson Bay, and Acadia, as well as articles about our ancestors' origins in France.

French-Canadian Heritage Society of Michigan members have access through our website to all of the past issues of *MHH* published since 2007.
